

PARENT SURVEY RESULTS

Session-end surveys submitted to all families with children enrolled in DebateAble clubs, 2012-2016.
Overall result totals included:

Figure 1: Please rate how DebateAble's overall program met your expectations.

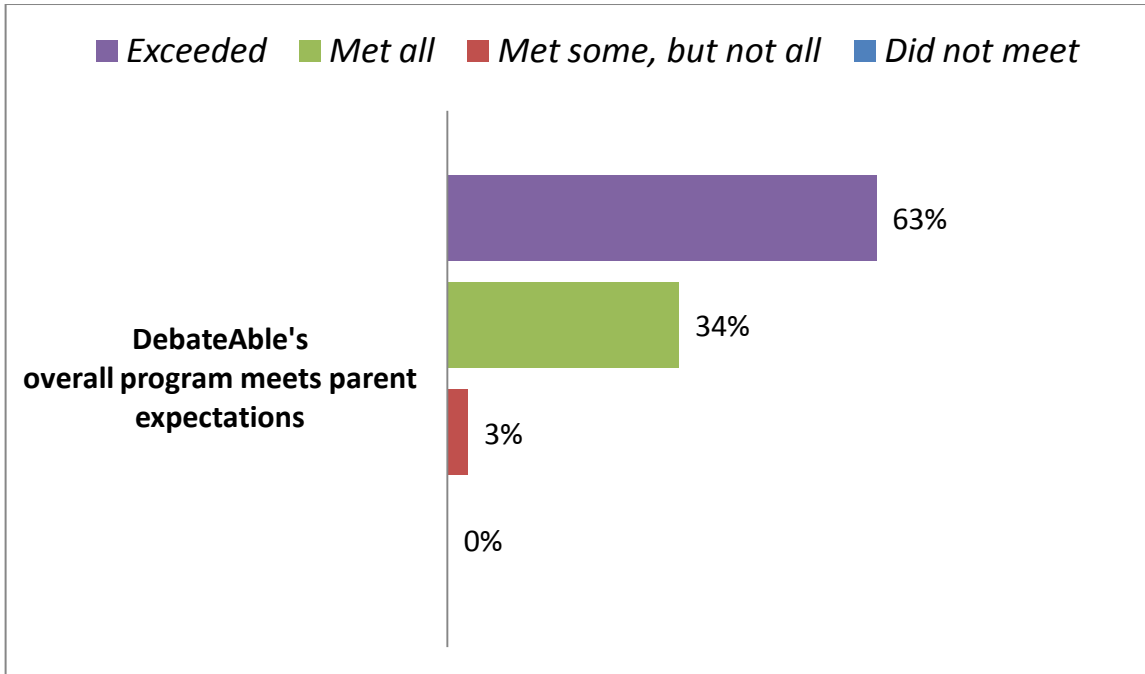

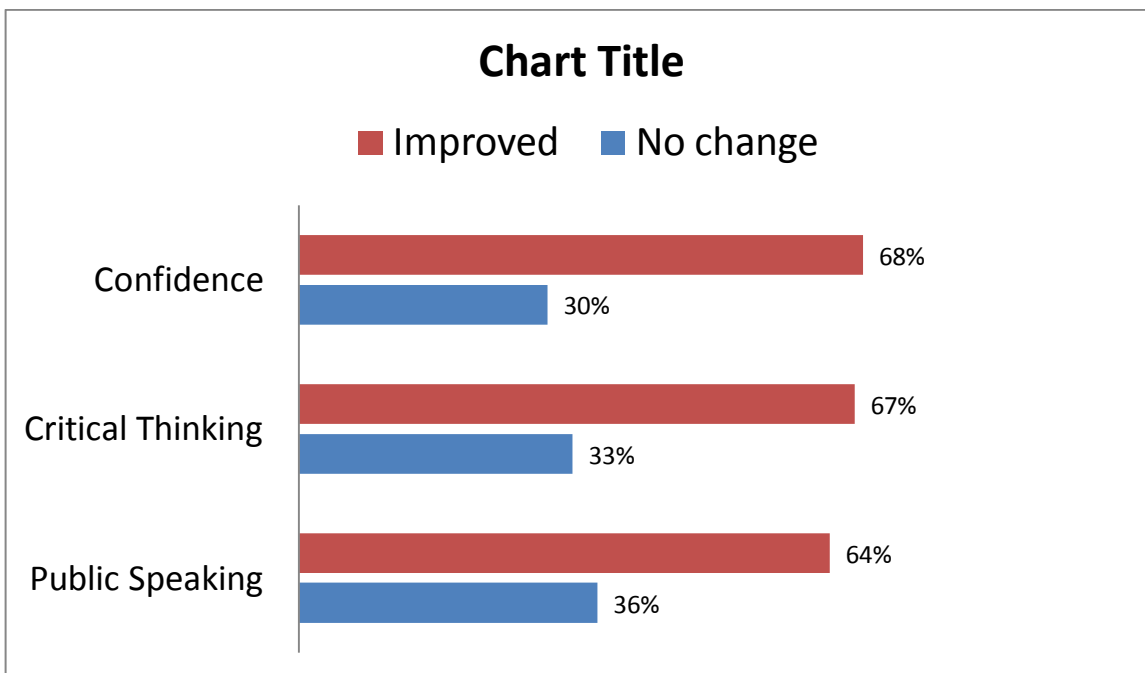

Figure 2: Please assess any changes in your student's critical thinking, public speaking and confidence level that you feel may be attributed to this Debate Club session.

CUMULATIVE: 84% of all parents surveyed reported *improvement in one or more* of the categories listed above: confidence, critical thinking and public speaking.
